CONSIGNOR # Make sure that your number is correct on each card. A wrong # could mean no \$\$!

SIZE Do not use S, M, L. Estimate a number.

PRICE You set the price of all items - so price them to sell. Use \$1.00 increments - not .50. If you do wish an item to be discounted at our ½ price sale, write that tag in RED ink, otherwise use black or blue ink.

RED = ½ OFF ON SAT, AUGUST 11.

DESCRIPTION Give a brief description of the item in the event that the tag becomes separated.

*HC Write "HC" in the lower left corner if you want the unsold item to be donated to charity. They are greatly appreciated!!

See website for detailed tagging instructions and pictures.

HANGERS All clothing must be hung on heavy duty plastic or wire hangers with the hook pointing to the left (like a question mark). See illustration below. Pin sets securely with pants hung on the backside of the shirt and pinned at the waist on the hanger (where pieces can be viewed without unpinning the garment). Pants, shorts, and skirts should be hung at the waist pinned to the top of the hanger. This prevents them from sliding on the hanger.

HARD TO TAG ITEMS Punch hold or cut slit in index card and tie on with curly ribbon. Tape ribbon to item. Or you can attach with a rubber band. **NO TAPE ON CARDS.**
